

# Quicken for Mac 2015-2017 Conversion Instructions

---

*Express Web Connect to Direct Connect*

## Introduction

As **Capital Bank of New Jersey** completes its system conversion to **OceanFirst Bank**, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your User ID and Password for each Financial Institution.

**NOTE:** **Express Web Connect** uses the same User ID and Password as the **Capital Bank of New Jersey** website. To register for Direct Connect, log into your online banking at [www.oceanfirst.com](http://www.oceanfirst.com). Hover over the Additional Services tab and click Connectivity for Quicken® and QuickBooks®. You will be prompted to create and confirm a Direct Connect Password. The password must be 6 to 8 characters, and cannot contain symbols. Check the box to accept the terms and conditions and submit. If you need assistance, please call 1-888-623-2633 option 3.

You should perform the following instructions exactly as described and in the order presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

*Thank you for making these important changes!*
